APPLICANT: MIRABILE, NICHOLAS

PCT CHAPTER II DEMAND AND AMENDMENT UNDER ARTICLE 34

TO THE COMMISSIONER OF PATENTS:

The applicant hereby elects to enter Chapter II and requests preliminary examination of the above application. The application is amended under Article 34 in response to the international search report mailed 03 June 2005.

SPECIFICATION AND ABSTRACT

The Specification has been amended to correct for minor typographical errors noted by the Authorized Officer and is being submitted anew. This corrects for other matters observed, such as the Abstract and drawing oversights. The Specification has been amended to correct for the errors found in the drawings.

DRAWINGS

Figure 6 has been amended to correspond to the changes requested by the Authorized Officer. Specifically, element 112 has been added as supported in the specification.

Copies of the above changes are submitted for consideration and acceptance.
